Master Table

#	Var	Column content
1	tap	Tap number (int)
2	mod1	Scanivalve first module number (int)
3	chn1	First module channel (int)
4	mod2	Scanivalve second module number (int)
5	chn2	Second module channel (int)
6	zone	Pressure zone on model surface (int)
7	phase	Acquisition phase for multiple takes (int)
8	A	Surface area assigned to tap (square meters, float)
9	X	Tap coordinates in model reference system (meters, float)
10	Y	
11	Z	
12	cx	Direction cosines pointing outwards surface (meters, float)
13	cy	
14	cz
